Your 2024-2025 financial aid record indicates that your parents 2022 income tax return information was not available or could not be used from the IRS.

Your parents are required to provide 2022 income tax return information.

The following are options for completing this requirement:

You can get the transcript mailed or print it from online. The Online option requires access to a valid email address, a text-enabled mobile phone in the users name and specific financial account numbers.

Also, there is an automated telephone request option by calling 1-800-908-9946.

Transcripts are generally received within 10 business days from receipt of the request.
