Since our founding in 1971, Stanly Community College (SCC) has provided educational and career training opportunities to thousands of people across the region. Today, SCC serves over 9,000 students annually and has become a beacon of hope and change for countless individuals.

To ensure that the College can continue this tradition of serving as an educational resource, the Foundation strives to meet and address the current and anticipated needs of the College and our students.

When you make a gift to the Foundation, the value of your dollar extends far beyond one person or one opportunity. Your investment supports the future of our entire region, bringing the power of higher education within reach for thousands of people.
