

## General UNC Articulation Agreement

Thanks to an articulation agreement between The University of North Carolina and the North Carolina Community College System, which includes Stanly Community College, SCC students can take select courses that will transfer to schools in the UNC system. The agreement applies to current SCC students enrolled in the nursing program, former SCC students, as well as any Registered Nurse with an ADN wishing to pursue a BSN degree at a UNC school of nursing. Schools in the University of NC System can be found here: <https://www.northcarolina.edu/content/our-17-campus>

## Uniform Articulation Agreement between North Carolina Independent Colleges and Universities RN to BSN Programs

The [Uniform Articulation Agreement](#) promotes educational advancement opportunities for registered nurses moving between North Carolina Community Colleges and the signatory campuses of the North Carolina Independent Colleges and Universities (NCICU) in order to complete Bachelor of Science in Nursing degrees.

This Registered Nurse to Bachelor of Science in Nursing Articulation Agreement (RN to BSN AA) is between the State Board of North Carolina Community Colleges and the signatory North Carolina Independent Colleges and Universities (NCICU) RN to BSN programs. It applies to all NC community colleges that operate associate degree nursing programs and to those ten signatory NCICU RN to BSN programs (Barton College, Cabarrus College of Health Sciences, Gardner-Webb University, Lees-McCrae College, Lenoir-Rhyne University, Mars Hill University, Pfeiffer University, Queens University of Charlotte, and University of Mount Olive).

Nursing students must apply and gain acceptance to a four-year institution in the UNC system in order to transfer credits. Although courses specified as part of the agreement generally transfer, students are encouraged to contact the institution they wish to transfer to in order to verify the specific courses and credits required.
